Dear Judge Sullivan:

This letter is submitted by counsel for defendant Raheem Brennerman in the above matter. On December 6, 2017, Mr. Brennerman was convicted after trial of conspiracy, bank fraud, wire fraud and visa fraud. His post-trial motions are currently due on January 22, 2018. Mr. Brennerman has informed us that he is in the process of interviewing and engaging new counsel to replace the undersigned and has directed us not to file post-trial motions on his behalf, but to request a 30 day extension of time to submit his post-trial motions.

We are therefore respectfully requesting a 30-day extension of time for Mr. Brennerman to file his post-trial motions in this matter.

The government has no objection to this request.

Thank you for your courtesy and consideration.

Defendant shall make his motion  
 no later than February 21, 2018

Respectfully submitted,

SO ORDERED
